Questions	Who is Jesus?	How can I find out more about Jesus?	What can I do?	Who can I mentor?
Prayers	Help me.	Show me.	Change me.	Use me.
Potential Problems	Life seems shallow, empty, meaningless; I don't understand the Bible; Christianity seems narrow-minded; may be in a personal crisis...nowhere to look but "up".	Values are colliding, uncomfortable with current lifestyle, old friends creating problems; feel like I'm leaving the familiar; family is confused about my new faith.	Sometimes pushy, judgmental; want to give more time to God; struggle with what my ministry is; questions regarding Holy Spirit.	Who do I strategically spend time with? Bible almost too familiar, stale; church is boring, tired of same old experiences; want simplicity...not sure what that is.
Pet phrases	There are many ways to God.	Woohoo! I got it!	Get right or get left!	Let's go grab a coffee...
Needs	Conviction	Information	Revelation	Replication
Practical Metaphor	Someone gets the food and feeds you.	Someone gets the food and you feed yourself.	You get the food and feed yourself.	You get the food and feed someone else.
